

John Cruise,

Hello! I just wanted to inform you that I thought your show was great. I was looking forward to a dumb assembly when I was leaving second period. I was not feeling too great this morning until I went to the assembly. I really thought it was awesome! I seriously am not saying this to make your day. I thought the assembly was happy and sad. I am really sorry to hear about your dad. Ever since you told us that story I know it really made some of us think. I know for a fact as soon as I heard that story I just wanted to go home and just give my dad and mom a hug and a kiss and just wanted to thank them for making my life possible. You really made me think I mean would I have come this far without my dad or mom? All I can say is I am ready to go home and give my dad a kiss and a gigantic hug.
